Dear Oliver,

In case you have forgotten what your card says it is that you'd like a copy of the two transcripts, of the interview and of the tape, sent to Donna in Mendel ~~Rivers~~ office. Davis'

We'll do it and there will be no charge.

But it is a bit informal to address merely "Donna" in a Congressman's office. Some of them can be pretty stuffy.

If you have another such occasion it would be better to include a last name!
